Search Committee Update: What's Next?

Thanks to enthusiastic and candid participation from the parish, we have now completed the Self-Assessment process, which provided valuable insight into the collective goals and desires of the Christ Church community. The Committee now feels well equipped to make the best possible decisions as we carry out our charge on behalf of this parish.

In the past few weeks, we have received many questions from parishioners about the search process. Here are some of those questions:

Will We See the Results of the Research? How Will it be Used?

How Long Will the Search Take?

Will We Have an Interim Rector?

I Would Like to Recommend a Candidate for Consideration. Can I Do That?

Are We Considering Candidates from Outside of our Diocese and Illinois?

How Will the Congregation be Involved in the Search Moving Forward?

For the answers to these and many other questions and for a more detailed timeline please [click here](#) to be linked to the Search Committee page of our Christ Church web site.

We'll continue to keep you informed as we move forward. In the meantime, please bless our committee with your daily prayers, asking God to infuse our search with clarity of vision and the constant presence of the Holy Spirit.

see how easy and convenient this is for you. You can click on an event to get more information such as location, etc. The office staff will be continuously updating the information.
